

JUNIOR CHAMPIONSHIPS & GELDING SHOW 2012

Kalbar Showgrounds

Judge: Tony Riley

Members will be aware that the branch faced a crisis earlier in the year when we were faced with the prospect of not having a Qld Branch. Fortunately some of our members stepped in to fill the gaps that were vacant on the committee.

The committee then set forward to getting our goals back on track, the first being the Junior Championships and Gelding Show. The committee had very little time to make a decision whether to go ahead with the show with the time left to organise it, but determined to keep this great show going we all rallied and with the help of support from our members, breeders and others outside of the branch we were able to once again produce a fabulous show. We would like to thank all those who supported this show with sponsorship etc, and for those who travelled many kilometres to attend the show with their horses.

The weather was of great concern the day prior to the show, the rain persisted all Friday which made it very difficult for some of our exhibitors to attend, there was much handwringing going on and I spent most of Friday night lying awake listening for rain on the roof, but the rain fairies must have been smiling on us as we awoke Saturday morning to a fine day, which lasted with us all day, and just as we were packing up at around 4pm the clouds rolled in and it started to rain again. We were very lucky. Some of our members attended our after show dinner which was held this year at the Kalbar Pub, a very enjoyable meal.

Thanks to our Judge Mr Tony Riley for officiating as judge for the day. We would like to thank all those that helped on the day, thanks to Ben Martin who did a great job of stewarding, Shane Clausen for gate marshall, and for everyone that helped set up and pull down the ring.
