

St Heliers Heavy Horse Field Days 2013

RESULTS

Judge: Paul Brooks

Report by John Sercombe and photos by Colin Lavender

I must say right off the bat that this years Field Day was an outstanding success.

Unlike recent years, the good weather really came to the party and produced two of the best winter days imaginable. This of course, was only out classed by the terrific quality in horses that graced our show rings. Approximately seventy horses and their owners made the pilgrimage to St Heliers to compete in front of what turned out to be the biggest crowd in the Field days history.

The Clydesdales were the dominant breed again this year with nearly forty purebred horses worked and shown over the two days, with an outstanding filly, winning not only Champion Clydesdale but taking out Supreme Champion Led Horse of the Field Days.

Results of Clydesdale classes:

Colt / Stallion 2 years and over

- | | |
|---------------------------|---------------|
| 1. Samarah Park Excelsior | S & Y Maloney |
| 2. Tullymore William | S & Y Maloney |

| Hannon's Miracle Jean | James Hannon |
|-----------------------|--------------|

RESERVE

| | |
|------------------------|---------------|
| Samarah Park Excelsior | S & Y Maloney |
|------------------------|---------------|

Our ground driven and long reining and vehicle classes were all well attended with a team of four Clydesdales owned by John Reedy taking out the Adrian Howard Trophy in the Grand Parade.

A new farm collar proudly donated by Mark and Jeannie Burton was hotly contested in the obstacle long reining competition and was eventually won by Shane Easy and his horse "Benny". Once again we thank Mark and all our sponsors for their kind support.

The Reedy Family also had a good couple of days with John and young Corey taking home trophies (and a new Akubra, thanks to Bernard Kearins) for outstanding horsemanship over the weekend.
